ADVICE TO PARENTS :

- Get your children ready so they can enjoy the group lessons
- Protect your children from the cold and the sun by equipping them with good-quality clothing, gloves, helmet, sun glasses and sun cream.
- Please take your children the WC before the class begins.
- When you leave your children with us, it is advisable for you to move well away from the area. This enables the children to integrate their group more easily.
- Please be punctual when dropping off and picking up your children as this helps us to run the classes more smoothly.
- We advise parents not to enrol their children for classes if they are unwell or tired.
- Please note that the park in the snow garden is a children-only area.

Thank you and have a great holiday!
