

## GUIDES OFFICE

Welcome to the field of high mountain and virgin spaces ! Our mountain guides and middle mountain guides team is at your disposal, summer and winter !

### Hiking:

---

Let us guide you out of the marked pathways; leave the crowd and take advantage of complete nature and peace.

Located between the Wallis and the Canton of Bern, the Weisshorn offers a magnificent view on the North of the Swiss Alps tray.

For the most experimented hikers, the "Col de la Roue" will surprise you.

### Practical information:

**Weisshorn** : two summits of 250 and 150 m above the 3000m glacier « Plaine Morte ». Nice initiation without getting to faraway of the lifts.

**Col de la Roue** : wilder with several access points and variations according to the conditions.
